Suspension

The Board authorizes the superintendent or principal to suspend a student for one or more of the following reasons:

1. Willful violation of school regulations;
2. Willful conduct which materially and substantially disrupts the rights of others to an education;
3. Willful conduct which endangers the student or other students;
4. Willful conduct which endangers school property.

Each suspension will include a statement of the reasons for suspension, the length of the suspension and the readmission plan. No suspension shall extend beyond ten school days. The district may require a student to attend school during non-school hours as an alternative to suspension. Every reasonable and prompt effort must be made to notify the parents of suspended students.

Students who are suspended may not attend after-school activities and athletic events; be present on district property without a parent or guardian; participate in activities directed or sponsored by the district. Students who violate these provisions may be referred to law enforcement officials by the district administrator.
