

Immunizations and Health Examinations**

Proof of immunization must be presented prior to the time of initial enrollment in school or within 30 days of transfer to the district. Proof consists of a signed Certificate of Immunization Status form documenting either evidence of immunization or a religious and/or medical exemption.

The Board recommends that all students initially enrolling in school have a physical examination. Parents will be asked to complete a district Health History form when initially enrolling their students in the district and when registering them for seventh grade.

All students participating in athletic programs are required to submit to the district a School Sports Pre-participation Examination form prior to their initial participation in a district athletic program. The form is to be completed and signed by a parent and physician giving permission for the student to participate.

A student who is subsequently diagnosed with a significant illness or has had a major surgery is required to have a physical examination prior to further participation in extracurricular sports.

Students who continue to participate in extracurricular sports in grades 7 through 12 shall be required to complete a physical examination once every two years, thereafter.
