Code: **KG**
Adopted: 6/15/88
Revised/Readopted: 12/17/98
Orig. Code(s): KG

Use of District Buildings and Facilities

The Board strongly desires to encourage youth and civic activities when such uses do not interfere with district programs. Accordingly, the Board shall make the public schools generally available for community activities. Use of district facilities and grounds outside of school hours shall be granted for worthwhile activities to the fullest extent possible under the law. In some cases a few may be charged. In all cases of district facility use, the form "Application and Permit for Use of District Facilities" must be filled out and approved by the proper school official.

Eligible Organizations

There will be three classifications of nonschool uses of district facilities. These classifications are established for the purpose of determining rental charges and other fees.

1. General: Use must be for purposes that are educational, charitable or of general community interest. Such events must be open to the general public with no admission charged or contributions taken. There shall be no basic charge.
2. Noncommercial: Private nonprofit or community clubs or organizations may use the facilities and be charged for operating costs provided no admission is charged or contributions collected.
3. Commercial: All business or commercial organizations which use district buildings will be considered under this group. Included will be community and locally-sponsored noncommunity groups requesting use of district facilities for fund-raising purposes which are not necessarily devoted to educational, charitable or community interest activities. Admission may be charged or contributions received. Groups of this nature will be charged in accordance with fees approved by the Board.
