## Emergency Closures

In an emergency, or in response to a hazardous condition, the superintendent may alter district and transportation schedules as appropriate. Such alterations include closure of all schools, closure of selected schools or grade levels, delayed openings of schools and early dismissal of students.

The superintendent will develop and maintain such plans and procedures as are necessary to carry out alternate school and bus schedules.

At the beginning of each school year, students, parents and staff will be informed of the procedures used to notify them in case of an emergency closure.
