

Corvallis School District 509J

Code: **EC**
Adopted: 1/11/99

Management of Buildings and Grounds

The superintendent and the support services management staff will develop and maintain plans and procedures necessary to assure the security of district properties and to provide for a continuing program of preventive maintenance designed to ensure that buildings are clean, safe and efficiently operated. In addition, the superintendent will ensure the development of a long-term plan for property acquisition and management, as well as facility renovation and construction, to meet the needs of the educational program.

The superintendent will keep the Board informed about district properties and will make such reports as the Board requests.
