

Comparability of Staff and Instructional Materials and Supplies

The School Board directs that the assignment of teachers, administrators, and auxiliary personnel to schools be made in such a way that substantial equivalence of personnel is ensured among the various school units, however, differentiating in the age/grade levels requirement of each.

It also directs that curriculum materials and instructional supplies be distributed in such a way that substantial equivalence of these resources are ensured among the various school units, however, recognition shall be given to the age/grade level requirements of each.

This policy is intended to ensure that equal educational opportunity is provided for all students.
