

Corvallis School District 509J

Code: **IGDK**
Adopted: 1/12/09

Non-School-Sponsored Study and Athletic Tours/Trips/Competitions

The district does not sponsor, endorse, or financially contribute to the variety of outside-sponsored study and athletic tours/trips/competitions available to students.

The district does not recruit for, or have input into, the selection of programs, many of which are not open to all students. Such tours, trips, and competitions, are under the sole auspice and control of the sponsoring organization/groups.

Students who raise funds for their personal participation in such activities may not raise moneys for such travel as a representative of the district. All communications regarding such programs must clearly identify the sponsor as a group other than the district and should state "The Corvallis School District is not a sponsor and does not endorse this program."

Students may not use school supplies, materials, or facilities in conjunction with such trips or their related fund raising unless approved through the normal facility use process. The funds will not be kept or accounted for in district accounts.

For educational travel arranged by district staff members outside of the course and scope of their regular duties, such members may recruit outside of school hours and school-sponsored activity time. Otherwise, staff members are prohibited from using their contact with students to advertise or recruit for travel which involves their supervision of students. Staff will not advise parents regarding selection of such trips or tours for their children. The counseling center may contain pamphlets which will assist parents who have questions about selection of such a tour.

Parents are advised to consider carefully the activities that are available to their sons and daughters. Parents have an obligation to ensure that patrons of the district do not assume such activities are district sponsored or funded.
