## Public Solicitation in District Facilities

Fund raising by non-district agencies for non-district activities during school hours will not be permitted without prior approval of the superintendent and/or principal.

Demonstrations of services or materials and canvassing of students or any district employee for the purpose of selling products or services shall not be permitted in either the district's facilities or district grounds, unless authorized by the superintendent and/or principal.

Non-district-sponsored organizations or individuals may not solicit funds or sell tickets within the district without first securing permission through the superintendent and/or principal.

Whenever possible, solicitation should occur during non-classroom time.

The solicitation and sale of travel services to students is prohibited on district property, at activities under the jurisdiction of the district, and at interscholastic activities administered by a voluntary organization approved by the State Board of Education (i.e., Oregon School Activities Association). Educational travel arranged by district staff members outside the course and scope of their regular duties for summer or holiday travel would be allowed.

This includes sale of services to students by any person or group that sells, provides, furnishes, contracts for, arranges, or advertises travel services.
