Staff Health and Safety

The Board authorizes the superintendent to take all necessary and appropriate action to provide for the health and safety of all employees while engaged in the performance of their duties.

The superintendent will develop written procedures as necessary to accomplish this goal and meet requirements of the law.

All employees will be trained to recognize and respond appropriately to the presence of hazardous materials. All personnel who, during the performance of their duties or in any foreseeable emergency, may be exposed to hazardous chemicals, will be so informed and will be trained to deal with those chemicals or materials.

All employees shall conduct their work in compliance with district safety rules.
