Talented and Gifted Program

The district is committed to an educational program that recognizes, identifies and serves the unique needs of talented and gifted students. Talented and gifted students are those who have been identified as academically talented and/or intellectually gifted.

The Board directs the superintendent, in consultation with the district staff and the site council, to develop a written identification process for identifying academically and intellectually gifted K-12 students.

A written plan that identifies programs or services needed to address the assessed levels of learning and accelerated rates of learning of identified students shall be similarly developed. The district shall inform parents of the identification of their student as talented and gifted. The district shall further inform parents of program or service options available and provide them an opportunity to participate in selecting those programs or options most appropriate for their student.
