

### **Program Exemptions - Alternative Program Credits**

The superintendent shall administer the program as follows:

1. Development of criteria to be used for establishing alternative learning opportunities based on learner outcomes;
2. Determination of standards of performance to be accepted as evidence of satisfactory completion of the alternative learning opportunity;
3. Establishment of dates and times for the alternative learning opportunity;
4. Review of requests for exemptions where defined guidelines are not sufficient;
5. Publication of procedures used in providing alternative learning opportunities;
6. Scoring of materials;
7. Review of student grievances.

Unit competence and attendance requirements necessary for graduation may not be waived.
