Evaluation of Board Operational Procedures

The Board will plan an annual evaluation of its function as a school board. This evaluation may be broadly based on relationships and activities or may focus on a particular activity or area.

Working with the superintendent, the Board chairperson and an ad hoc Board committee appointed by the chairperson may develop the evaluating plan. Upon Board approval, an outside consultant may develop and lead the appraisal session(s). The evaluation timeline will be established so that the results may be discussed in March.
