

Creswell School District 40

Code: **IKE**
Adopted: 10/14/98
Readopted: 6/13/17

Promotion and Retention of Students**

As a district committed to a continuous progress concept, the Board recognizes students must be provided an opportunity to progress at their own learning rates.

As long as the district maintains identifiable grade levels, it may be in the student's best interest to be double promoted or remain at the same grade level in order to attain the desired skill mastery.

Should a student be recommended for double promotion or retention, the administrative regulation will be followed.
