Graduation Exercises

The Board believes that completion of the requirements for a diploma, a modified diploma, an extended diploma or an alternate certificate from the public schools is an achievement that improves the community as well as the individual. The Board wishes to recognize that achievement in a publicly celebrated graduation exercise.

Accordingly, appropriate graduation programs may be planned by the high school administration on the date selected by the Board and high school administration.

The district's valedictorian(s), salutatorian(s) or others at the discretion of the principal or designee may be permitted to speak as part of the district's planned graduation program. All speeches will be reviewed and approved in advance by the principal or designee.

All students in good standing who have successfully completed the requirements for a high school diploma, a modified diploma, an extended diploma or an alternate certificate set out in Board policy IKF - Graduation Requirements and the accompanying administration; have no major behavior referrals as defined by the high school student handbook within one month of graduation; and have completed all requirements for the diploma prior to the graduation ceremony as defined by the high school student handbook may participate in graduation exercises.
