Closed Campus/Open Campus**

The safety and security of students and staff is a primary concern. To assist in providing such conditions the Board directs the elementary, middle and high school to operate closed campuses. Closed campus requires that students remain on campus from the time of their arrival until school is released for the day. At all schools students may only leave during the day with a parent, or with parent or school permission.

At the high school, students must remain on campus, including passing time and break. During lunch juniors and seniors may leave campus. They may drive vehicles, ride with other juniors or seniors, ride with parents, walk, or use other approved means of transportation. Off campus lunch privileges may be revoked on an individual basis.

In case of an emergency release, parents must contact the school office. For all other release requests parents must contact the school office.
