Vendor Relations

The district welcomes business and bids from all eligible vendors. Preferential treatment will not be extended to any vendor. Orders will be placed on the basis of quality, price and delivery, with past services being a factor if other considerations are equal.

Sales representatives or agents may not solicit staff members during hours when students are present. Principals may allow sales representatives or agents of educational products to contact staff members at times that will not interfere with the educational program.

Advertising is not allowed in school buildings without approval of an administrator. No employee of the district will receive compensation of any kind from any vendor for the sale of supplies or services.
