Vandalism/Malicious Mischief/Theft

Students and citizens are urged to cooperate in reporting any incidents of vandalism/malicious mischief/theft and the name or names of the person or persons believed to be responsible.

Each employee of the district will report to the principal or other person in authority every incident of vandalism/malicious mischief/theft and the name of the person or persons responsible, if known.

Principals will submit a report of any vandalism/malicious mischief/theft or damage to the superintendent. The superintendent will make a report to the Board regarding significant vandalism/malicious mischief/theft or damage to any district property.

The district may offer a reward to an individual(s) who provides information that results in the apprehension of a person(s) guilty of vandalism/malicious mischief/theft or other criminal acts against the district. The amount of reward shall be determined by the superintendent on a case-by-case basis within any guidelines set by the Board.

The superintendent is authorized to sign a criminal complaint and to press charges against those committing acts of vandalism/malicious mischief/theft against district property. Because incidents of willful or malicious abuse, destruction, defacing and theft of property of the district are clearly contrary to the best interests of the district and injurious to the rights and welfare of the entire community, it is the policy of the Board to seek all legal remedies against persons found to have committed such acts. Full restitution for the damage will be sought from such persons, or, in the case of minors, from their parents. Certain records may be withheld for failure to make restitution for damages assessed.

Students who willfully destroy property through acts of vandalism/malicious mischief/theft or arson, who commit larceny or who create a hazard to the safety of other people on district property will be suspended in accordance with state law and the Board's policy on student suspensions/expulsions and may be referred to law enforcement authorities.

The district is not responsible for staff or student personal items brought on to district property.
