4. On a case-by-case basis, when a student is known to be eligible for free or reduced price meals and the household fails to submit a confidential application, the superintendent or designee may complete an application for the student documenting how he/she knows the household income qualifies the student for free or reduced price meal benefits. Parents of a student approved for free

or reduced price benefits when application is made for the student by a school official, will be notified of the decision and given the opportunity to decline benefits.

5. Students who do not qualify for free or reduced price meals are eligible to participate in the National School Lunch Program (NSLP) and School Breakfast Program (SBP) and will be charged “paid” meal prices set by the district. “Paid” category students will be treated equally to students receiving free or reduced price benefits in every aspect of the district’s NSLP, SBP, Child and Adult Care Food Program (CACFP) and Summer Food Service Program (SFSP).
6. The district has established a fair hearing process under which a household can appeal a decision with respect to the household’s application for benefits or any subsequent reduction or termination of benefits.
