

Dallas School District 2

Code: **GBEDA**
Adopted: 1/13/14
Readopted: 4/28/14

Drug and Alcohol Testing - Transportation Personnel

In a continuing effort to prevent accidents and injuries resulting from the use of drugs and misuse of alcohol by drivers of commercial motor vehicles, the district shall establish a drug and alcohol misuse prevention program. The district's transportation provider shall have an in-house drug and alcohol testing program or be a member of a consortium that provides testing that meets the federal regulations, and shall annually certify this information to the Oregon Department of Education.

The superintendent will develop a contract with our transportation provider to ensure they will follow the requirements in Oregon Revised Statutes and federal law for testing and reporting.
