

Dallas School District 2

Code: **GCEA**
Adopted: 7/22/02

Substitute Teachers

To maintain the quality of instruction at the highest possible level when a substitute teacher is assigned, it is important that adequate information and direction be provided. Therefore, the School Board directs that rules be developed which will identify the responsibilities of the teacher and substitute teacher. The rules should also identify such other requirements as may be needed to maintain the effective operation of the school program.
