Staff Development

In order to strengthen and refine professional skills of district personnel, the superintendent or his/her designee will develop a staff development program for all employees.

The district's educator teams along with building site councils will be encouraged to participate in the development and implementation of the district's staff development program including provisions for the professional growth of staff.

Staff development programs, whether provided directly by the district or through district contracts with third parties, will provide appropriate reasonable accommodations to ensure such programs are available to employees with disabilities.

Completion of continuing professional development (CPD) requirements, as set forth in OAR Chapter 584, Division 090 by the Teacher Standards and Practices Commission (TSPC) for license renewal, are the sole responsibility of the employee. The district will require all licensed educators to submit their professional development units annually.
