

Dallas School District 2

Code: **IGBHD-AR**
Adopted: 10/14/02

Instructional Program Exemptions

Requests for an exemption from a state or District program in order to accommodate a disability shall be administered through the I.E.P. process as described in the District Special Education Handbook.

Requests for approval of an exemption from an educational program in order to accommodate a religious belief shall be made to the principal. The principal shall act on the request within ten (10) days and notify all affected parties in writing. Parents/legal guardians may appeal the decision to the Superintendent.
