## Student Fund-Raising Activities

The superintendent will direct buildings to develop policy and procedures related to fund-raising. These procedures will demonstrate an awareness of the community and the needs of the school, clubs, academic and athletic programs. These procedures must also address how money is handled and the internal control is place to prevent theft or fraud.

All fundraising that is school, club, athletic or activity related will obtain prior consent of the building principal or designee. This includes but is not limited to:

1. Fund-raising activities in which no outside fund-raising agency or contract is concerned;
2. Fund-raising through an outside agency or contracted activity; and
3. Fund-raising for charitable or other causes.
