

Dallas School District 2

Code: **IGDF**
Adopted: 10/14/02

Fund-Raising Activities

The School Board believes that there is educational value for students associated with fund-raising activities. However, because of potential time involvement of students, and community concern, these fund-raising activities need to be carefully controlled and supervised to avoid exploitation of students. Therefore, the School Board directs the development of an Administrative Rule which will provide both an opportunity for fund-raising activities and direction for schools in implementing such activities.
