

Dallas School District 2

Code: **IGE**
Adopted: 10/14/02

Adult Education

The School Board believes that education programs for the adult citizens of the School District can be provided in the most effective manner through the area community college district. It is, therefore, the desire of the School Board to encourage a spirit of cooperation between the Districts which will contribute to the development of such adult education programs.

The School Board directs that School District facilities be made available at reasonable service and utility fees on a non-conflicting schedule basis for community college organized classes. Rental and use agreements are subject to School Board review and approval.
