

Dallas School District 2

Code: **IIBD**
Adopted: 10/14/02

Instructional Media Support Programs

The School Board directs the Superintendent and staff to develop, implement and continuously update a comprehensive library instructional media support program.

A written program which defines instructional goals and activities for all students in grades K-12 shall be developed and implemented. This program shall define instructional staff and student support services to be provided by media center staff..

Guidelines and procedures for the selection of instructional media equipment and materials shall be developed to provide for the acquisition, maintenance and disposal of equipment and materials in an effective manner.
