

# Dallas School District 2

Code: **IICAA**  
Adopted: 10/14/02

## Senior Class Skip Day

With adequate planning, staff involvement, and parental/legal guardian approval for individual students, a Senior Class “Skip Day” may be held.

The following guidelines must be observed:

1. A “Skip Day” is considered a “day taught” and all students either attend school or participate in the activity.
2. Transportation will be provided by the District, with students or class paying the cost. Buses are to be used.
3. Distance and location will be pre-determined. The location should be chosen with regard to safety and should provide opportunities for adequate supervision.
4. Recommendations in regard to where the class will hold skip day activities will be made by the class members. Final decision as to the location, however, will be made by the administration and the class advisors.
5. Rules of conduct shall be observed by students. Misbehavior shall be handled the same as it would in the regular school setting.
