

# Dallas School District 2

Code: **JC**  
Adopted: 9/9/02

## **School Attendance Areas**

To the most practical extent, boundaries for attendance areas should be set which are convenient for parents/legal guardians, and students and which will provide a uniform student-teacher ratio in all schools.

The Superintendent and administrative staff shall review, evaluate, and set the boundaries for school attendance areas at least thirty (30) days prior to the opening of schools each year.

When unusual enrollments create class load imbalances which are found to be restricting the educational process, students can be transferred to another attendance area. Such transfers should be made as early in the school term as possible.

END OF POLICY
