Student Exchange Programs

The Board recognizes the cultural benefits of foreign exchange student programs and authorizes the superintendent to accept exchange students on a J-1 Visa into the schools on a tuition-free basis. Privately sponsored exchange students on an F-1 Visa may be admitted to district secondary schools only upon payment of tuition as required by law.

Annually the high school administration shall review the status of each approved student exchange program. Dallas High School will accept only exchange students from organizations approved by the district. The Board reserves the right to limit the number of exchange students in a given year. A student exchange program may be recommended for removal from the approved list for cause, such as: lack of cooperation or support of the advisor or program, failure to adequately screen students, or other reasons that may detract from the benefits of student exchange programs. Such removal is subject to school Board action.

Exchange students attending district schools on a J-1 Visa as part of a group-sponsored program are not required to pay tuition.

Privately sponsored exchange students on an F-1 Visa may be enrolled if an adult resident of the district has been given temporary guardianship and the student lives in the home of that guardian. Exchange students on an F-1 Visa are required to pay tuition at the established district rate. F-1 student admission is limited to secondary schools and attendance may not exceed 12 months.
