1. When the student owes a fee that is delinquent;
2. When the student has lost or is responsible for the loss of property of the District and has failed to reimburse the District the cost thereof; or
3. When the student has willfully damaged or injured property of the District and has failed to make restitution therefore; until the student or the parent/legal guardian of the student has paid the amount owed.

In no event shall the District withhold the records of a student when such records are required by another school district for use in the appropriate placement of a student.

Notwithstanding the withholding of delivery of a student record under this policy, the student or his or her parent/legal guardian shall be entitled to examine the student record at the school or office where the record is kept.

Nothing in this policy shall be deemed to prevent inspection of student records by a parent/legal as provided in ORS 343.173.
