## Budget Amendment Procedures

The budget estimates of any fund and proposed ad valorem property tax amount or rate as shown in the budget document may be amended by the Board prior to adoption. Such amendment may also be made following adoption if the amendments are adopted prior to the commencement of the fiscal year to which the budget relates.

The amount of estimated expenditures for each fund, however, shall not be increased by more than \$5,000 or 10 percent of the estimated expenditures, whichever is greater.

The amount or rate of the total ad valorem taxes to be certified shall not exceed the amount approved by the Budget Committee, unless the amended budget document is republished and another public hearing is held as required by law.
