## Disposal of District Property

The superintendent may, at any time, declare district property with values less than \$1,000 as surplus and authorize its disposal when such property is no longer useful to the district, unsuitable for use, too costly to repair or obsolete. Disposal of property with residual values greater than \$1,000 will have Board approval.

If reasonable attempts to dispose of surplus properties fail to produce a monetary return to the district, the superintendent may dispose of them in another manner.
