

Dayton School District 8

Code: **IIBD**
Adopted: 1999
Readopted: 8/11/15
Orig. Code(s): IIBD

District Library/Media Centers

The Board recognizes the need for the district to provide print and non-print materials in a collection with sufficient breadth to support the school's educational programs and the students' interests as well as sufficient depth to meet the needs of wide-ranging abilities.

Library/media materials shall be selected according to the following guidelines:

1. All materials shall be carefully evaluated by professional personnel prior to purchase;
2. Material purchases shall be done systematically to ensure that collections are well balanced and well rounded in coverage of subjects, types of materials and variety of content;
3. The collections shall be continuously reevaluated in relation to changing curriculum content, new instructional methods and the current needs of teachers and students.

The library/media center will make materials available to users through the organization of such materials according to recognized library/media standards. The instruction in the use of these materials, the provision and maintenance of necessary equipment and production of special materials are also recognized as necessary activities.

Library/Media services shall be reviewed annually. The review shall include curriculum, personnel and inventory.
