## Field Trips and Excursions\*\*

Field trips and other student activities involving travel may be authorized by the superintendent or principal when such trips and/or activities contribute to the achievement of desirable educational goals. In planning and authorizing such trips, primary consideration shall be given the educational values to be derived and the safety and welfare of the students involved.

The educational purpose of the trip must be made known to students and parents prior to the trip. A permission form which includes the date, time and destination of the trip must be signed by the parent/guardian and returned prior to students leaving school grounds.

All overnight or out of state travel must have prior Board approval. Such approval will be predicated on an acceptable written plan of fund raising, travel arrangements, lodging arrangements, criteria for participation, student behavioral expectations, parental involvement and student/chaperone ratio.
