## Student Withdrawal from School

When it becomes necessary for a student to withdraw from school for any reason, the school office must be notified. A withdrawal slip must be completed and all necessary requirements fulfilled before withdrawal is complete.

School officials will forward transcripts from the cumulative record upon request of parents, legal guardians, students, ex-students and bona fide education institutions.

If a student transfers to another school, the appropriate education records will be forwarded.

Additionally, the district may notify the Oregon Department of Transportation of the withdrawal from school of a student who is at least 15 years of age and under 18 years of age as provided by Oregon Revised Statute (ORS) 339.257 and Board policy JHFDA - Suspension of Driving Privileges.
