Student Conduct**

The Board recognizes that acceptable behavior is essential to development of responsible and self-disciplined citizens and to assure an environment conducive to learning. Positive behavior is based on respect for oneself and for the worth and human dignity of others. Development of such positive behavior in students is a dual function of the home and of the school.

The Board expects student conduct to contribute to a productive learning climate. Students shall comply with the district's written rules, pursue the prescribed course of study, submit to the lawful authority of district staff and conduct themselves in an orderly manner at school during the school day or during district-sponsored activities.

Careful attention shall be given to procedure and methods whereby fairness and consistency without bias in discipline shall be assured each student. The objectives of disciplining any student must be to help the student develop a positive attitude toward self-discipline, realize the responsibility of one's actions and maintain a productive learning environment. All staff members have responsibility for consistency in establishing and maintaining an appropriate behavioral atmosphere.

A student handbook, code of conduct or other document shall be developed by district administration, and in cooperation with staff, will be made available and distributed to parents, students and employees outlining student conduct expectations and possible disciplinary actions, including consequences for disorderly conduct as required by the No Child Left Behind Act of 2001 (NCLBA). In addition, each school shall publish a student/parent handbook detailing additional rules specific to that school.

Students in violation of Board policy, administrative regulation and/or code of conduct provisions will be subject to discipline up to and including expulsion. Students may be denied participation in extracurricular activities. Titles and/or privileges available to or granted to students may also be denied and/or revoked, (e.g., valedictorian, salutatorian, student body, class or club office positions, senior trip, prom, etc.). A referral to law enforcement may also be made.

The district will annually record and report expulsion data for conduct violations as required by the Oregon Department of Education.
