## Relations with Government Agencies

It is the intent of the Board to maintain a cooperative relationship with law enforcement agencies.

Law officers' presence and participation in school programs are encouraged to promote a positive attitude by students toward law enforcement.

Whenever a student is interviewed at school, the school administrator will attempt to notify his/her parents prior to such interview. Exceptions to this would occur only when such notification is contrary to established legal procedures, when immediate police action is required to ensure student welfare, or when such notification would hamper or severely impede the investigation.
