## Staff Health and Safety

The Board authorizes the superintendent to take appropriate means to provide for the health and safety of all employees while engaged in the performance of their duties.

The superintendent, in consultation with the building safety committee, will develop training and written procedures necessary to accomplish this goal and to meet the requirements of the law.

All employees will be trained to recognize and to respond appropriately to the presence of hazardous materials.

All employees shall conduct their work in compliance with the safety rules of the district.
