

Layoff - Classified Staff

When it is determined that a layoff of classified employees is necessary, the following procedures will be implemented:

1. Classified employees shall be grouped as follows:
 - a. Custodian/Maintenance;
 - b. Bus drivers;
 - c. Cooks;
 - d. Paraprofessional/Teacher's Aide;
 - e. Paraprofessional/Library Aide.
2. Reduction within each grouping shall be made on the following basis:
 - a. First – Temporary employees within the group;
 - b. Then – If further reductions in force are made within that group, six months probationary employees shall be reduced next;
 - c. Last – In determining which classified employees are to be laid off within the groupings in district policy, the district will give consideration to qualifications, merit, competency and previous evaluations. All these factors being equal, the employee with the most seniority will be retained. Seniority means the employee's total length of continuous uninterrupted service in the district as a classified employee. As an exception to the above, the district shall comply with any requirements established by law or government agency relating to the reduction of minority employees.

While any classified employee is laid off as a result of reduction in force provisions of this Article, the Board will institute a recall procedure. The laid-off classified employees will be recalled in the reverse order of layoff within the grouping in which he/she was previously employed by the district.

1. Notice of recall shall be sent via certified mail to the last address given to the district office by the employee. A classified employee shall have 10 calendar days from the date the notice of recall was sent to notify the district of his/her intent to return and must thereafter report on the starting date specified by the district, providing that this shall not be less than 15 calendar days from the date the notice of recall was received or lose all recall rights. Such failure to notify the district of intent to return or to return to work within these time limits shall be considered the resignation of the classified employee.

2. Classified employees who are laid off from the district shall be eligible for recall for a period of 24 months after the effective date of their layoff unless:
 - a. The employee in question submits a letter of resignation to the district.
 - b. The district is unable, using the most current address information, to reach the particular employee within time limits noted.
