Student Vehicle Use

All students who drive vehicles to school are subject to parking and driving rules developed by the superintendent.

The district shall require all students parking vehicles on district property on a regular basis to show evidence:

1. The student has parental approval to drive a vehicle to school;
2. The student driving the vehicle holds a valid driver's license;
3. The vehicle is currently registered;

Vehicles must be driven in a safe and nondisruptive manner. A five-mile per hour speed limit will be obeyed on school grounds.

Parking privileges will be subject to the specific requirements of this policy and any other applicable policy and/or rules of the district. Parking privileges, including driving on district property, may be revoked by the superintendent for violations of Board policy, administrative regulations or school rules.
