

Student Activity Funds

Student activity funds are those funds raised or collected by and for school-approved student groups, excluding those funds budgeted in the general fund.

Student activity funds will be collected and expended for the purpose of supporting the school's cocurricular/extracurricular activities program, following these guidelines:

1. The superintendent and the director of administrative services will be responsible for administering student activity funds;
2. The student business manager or treasurer of the student government organization will serve as that organization's representative in administration of student activity funds.

All student activity funds will be receipted and deposited according to district policy and acceptable accounting procedures. Student activity funds will be audited on a schedule administered by the director of administrative services.
