Gifts, Donations and Scholarships

Consistent with the laws of the state of Oregon, the Board may accept money or property for the use or benefit of the district and use such money or property for the purpose for which it was donated. In accepting gifts, the Board will be aware that there should not be significant differences among the various school facilities.

If the Board accepts money and property donated for the purpose of establishing scholarship and loan funds for post-high school education of students of the district, then, subject to the conditions of the gift, the Board may appoint a scholarship committee which, subject to the rules of the Board, shall determine the eligibility of applicants for scholarships and loans, award scholarships and loans, and fix the amounts to be awarded and the terms and conditions of the awards.
