Administrative Regulations

Administrative regulations are detailed directions governing the operation of the district.

The superintendent is authorized to formulate such administrative regulations appropriate for the implementation of policies adopted by the Board and necessary for the consistent operation of the district.

Administrative regulations will be presented to the Board at the time policies are considered or no later than the next regular Board meeting following adoption. Administrative regulations may be presented to the Board at other times the superintendent deems necessary. The Board retains the authority to amend administrative regulations when it is deemed the regulation does not accurately reflect the Board's intent in adopting the supporting policy. Otherwise, the superintendent will implement administrative regulations without further action by the Board and distribute them to all staff.
