**Emergency Health Care to Students**

The DESD recognizes that the administration of some medical procedures may be necessary to enable students to participate in DESD programs or activities. All requests for DESD staff to perform medical procedures for DESD students shall be made by the student’s parent or guardian in writing. Requests shall include written instructions from the student’s physician or registered nurse.

The superintendent or designee, in consultation with parents, physician, nurse, staff and/or administrators from component school districts, shall determine which medical procedures are appropriate for DESD staff to perform. DESD staff may be authorized to perform approved medical procedures for DESD students. Training for performing approved medical procedures shall be provided as required by law and in consultation with the student’s medical provider.
