## Volunteers

Citizens who voluntarily contribute their time and talents to the improvement and enrichment of ESD programs are valuable assets. The Board encourages constructive participation of groups and individuals to perform appropriate tasks before, during and after district hours under the direction and supervision of professional personnel.

Any person authorized by the district for volunteer service into a position having direct, unsupervised contact with students will be required to undergo an Oregon criminal history check.

Program administrators are responsible for the recruitment, use, coordination and training of volunteers. Every effort should be made to use volunteer resources in a manner that will contribute to the welfare and educational growth of students. ESD volunteers may not engage in any behavior or activity that is inappropriate or disruptive to the learning process.

The superintendent may suspend or terminate the participation of any ESD volunteer for any reason deemed sufficient.
