**Suspension\*\***

The ESD may suspend services to an ESD student under the following circumstances:

1. When a student is under expulsion from an ESD facility or the student's resident school district for reasons other than a weapons policy violation; or
2. When a student is under expulsion from an ESD facility or the student's resident school district for a weapons policy violation;
3. Willful violation of ESD Board policies, administrative regulations or school rules;
4. Willful conduct which materially and substantially disrupts the rights of others to an education;
5. Willful conduct which endangers the student, other students or staff members;
6. Willful conduct which damages or injures ESD property; or
7. When otherwise allowed to do so under state or federal law or regulation.

Students and parents are given notice of possible discipline actions resulting from student misconduct that may result in suspension in the code of conduct made available by the ESD.

Each suspension will include a statement of the reasons for suspension, the length of the suspension and a plan for readmission and may include a plan for the student to make up school work. No suspension shall extend beyond 10 school days. Every reasonable and prompt effort must be made to notify the parents of suspended students.

In emergency situations that are a result of risk to health and safety, the ESD may postpone the suspension notice process above until the emergency condition has passed.

The Board may, based on ESD criteria, provide alternative programs of instruction to students expelled for a weapons policy violation.
