Administrative Organization

The Board's legal authority will be delegated through the superintendent to the administrative staff as shown in the Board-approved organizational structure chart of the district.

Personnel will be expected to refer matters requiring administrative action to the administrator to whom they are responsible. That administrator will refer such matters to the next higher administrative authority when necessary. Additionally, all personnel are expected to keep the person to whom they are immediately responsible informed of their activities by whatever means the person in charge deems appropriate.

The superintendent may reorganize lines of authority subject to Board approval of major changes and creation or elimination of positions. The Board expects the superintendent to keep the administrative structure current with the needs for supervision and accountability within the school system.
