School-Police Liaison Program

1. The superintendent or designee will serve as the program coordinator for the district's School-Police Liaison Program.
2. Each year the superintendent will meet with law enforcement officials to discuss:
 - a. Whom the school/law enforcement official should call for suspected violations of the law occurring on district property or other common needs;
 - b. How school representatives should handle evidence of a suspected crime/contraband, etc.;
 - c. Board policy and procedures related to law enforcement officials' requests for access to and questioning of students on district property and district parent notification requirements;
 - d. Applicable provisions of district emergency plans and security procedures;
 - e. Special event needs.
3. District curriculum will be reviewed annually to include K-12, age-appropriate instruction in safety, violence prevention/conflict resolution and citizenship to increase students' awareness of their rights and responsibilities within society. Instruction will emphasize prevention.
4. Law enforcement involvement in such district programs and activities including Drug Awareness Resistance Education (DARE) and Gang Resistance Education and Training (GREAT) will be encouraged.
5. Active involvement of related community agencies and organizations will be encouraged in an effort to broaden the reference base in the development of district programs and activities and to establish a link for sharing resources.

LAW ENFORCEMENT INITIATED REQUESTS

Interview/Investigations of Students

1. Interviews or investigations by law enforcement officials not based on allegations of child abuse, a warrant for an arrest or search or probable cause that an illegal act or crime is occurring or has been committed on district property, may be permitted upon request and with superintendent or designee approval.
2. The law enforcement official shall contact the superintendent or designee, properly identify himself/herself, inform the superintendent or designee of the nature of the investigation and provide the name of the student to be interviewed.

3. The superintendent or designee shall verify and record the identity of the law enforcement official or other authority.
4. Requests to interview a student during school hours should be, in the opinion of the superintendent or designee, important and urgent to justify interrupting school activities.
5. The superintendent or designee will attempt to notify the student's parent(s) prior to granting the interview.
6. If the parent(s) cannot be contacted, the emergency contact listed on the student's registration form will be contacted. If he/she cannot be reached, the superintendent or designee may grant permission for the questioning to proceed if the student agrees to be interviewed or in the event of compelling emergency circumstances. The superintendent or designee shall be present.
7. If the superintendent or designee has been unable to contact the parent(s) then the superintendent or designee shall make a reasonable attempt to notify the parent(s) as soon as possible after the interview.
8. All such interviews shall be conducted in privacy, out of the view of staff, students and others.
9. The superintendent or designee shall be present at all times during the interview unless the student's parent(s) is present and asks the superintendent or designee not to participate or the district official is otherwise prohibited from being present by law.
10. The superintendent or designee shall maintain a written record of all such interviews conducted.

Questioning of a Student Suspected of a Crime, Arrest or Taking a Student into Custody

1. When a student is a suspect in a criminal act and is to be questioned by a law enforcement official for the purpose establishing involvement in the act, questioning will be allowed on district property only after the procedures in numbers 5.-10. above are followed. Normally, such questioning should occur outside school hours, off district property.
2. At no time will a student be released to an officer without one of the following:
 - a. A warrant;
 - b. A court order;
 - c. Arrest;
 - d. Protective custody resulting from child abuse investigation;
 - e. Permission of the parent.
3. In all cases, other than child abuse cases, where a student is to be taken from the building by a law enforcement official, the superintendent or designee will verify the official's identity and make a reasonable effort to notify the student's parent(s) in such instances.

4. Any investigation of child abuse will be directed by the Oregon Department of Human Services (DHS) or law enforcement officials as required by law. The administrator or designee will request identification from the investigating official and require the investigating official to fill out the appropriate form. If the investigating official does not have this identification or refuses to fill out the form, the administrator may deny the official's request to interview the student on school property. The superintendent or designee may be present at the interview of the student at the discretion of the investigating official. When the subject matter of the interview or investigation involves child abuse, district employees shall not notify the parent.

Administrator Initiated Requests

On occasion, the superintendent or designee may need, or be required to seek law enforcement assistance. Any student violation of the district's weapon policy shall be reported to the appropriate law enforcement agency. Child abuse also requires immediate referral to the DHS or law enforcement officials. Additionally, the superintendent and/or designee(s) may report to law enforcement officials, other violations of law occurring on district property or at school-sponsored activities as deemed appropriate.
