Board Legal Status

The Constitution of the state of Oregon charges the Legislature with providing by statute for a uniform and general system of common schools. The Legislature enacts laws to delegate the immediate control of the schools to locally elected boards of directors. Dufur School District 29 is a corporate body and the Board is authorized to conduct business legally falling under the jurisdiction of the district.

Federal and state statutes and State Board of Education rules define and outline the general powers and duties of the Board. The Oregon statutes authorize the Board to transact all business within the jurisdiction of the district, control the district schools and educate the children residing in the district. Oregon Administrative Rules establish further requirements and guidelines for districts. The Board's duty is to carry out those statutes and rules that are mandatory, e.g., "The Board shall...;" where the laws are permissive, e.g., "The Board may...," the Board is empowered to exercise judgment and discretion.

Members of the Board shall be elected for a term of four years. The term of office shall begin on the first day of July following the regular district election; however, each newly elected Board member must take the oath of office before assuming the duties of his/her office. The term of office for members appointed to fill a vacancy will be until June 30 following the next regular district election. The term of office for members elected to fill a vacancy will be the time remaining in the vacated Board position.
