Senior Trips

Beginning with the class of 2005 and for each class thereafter, classes will be allowed to spend \$100 dollars per student for a one day, no overnight senior trip. The activity will be taken as one of the five days reduced from the end of the senior year. The amount spent will be revisited each year to allow for inflation.

Students participating in senior trips will be subject to the student code of conduct. Violations will result in appropriate disciplinary action and may include referral to law enforcement.

Private groups and organizations may be permitted to use district facilities and equipment during nonschool time to promote senior trips on the same basis as facilities and equipment are provided to others.

Private groups and organizations may not use the district name in any way to promote their activities.

The superintendent will develop administrative regulations for district-sponsored senior trips, including the approval process, procedures to be used in case of accident or illness and student conduct violations.
